Coloris Clips (pack de 10), GILSON®

Ref.: GILSON.F161301 | Categoría: Recambios y accesorios micropipetas

Descripción

Identify your pipettes and minimize the risk of pipette mix ups with COLORIS™ Identification Clips. These rings easily fit your PIPETMAN® pipette without damaging it.

Prevent Errors Due to Mix-ups

COLORIS Identification Clips are good laboratory practice (GLP) compliant. They easily attach to all PIPETMAN models allowing you to identify your pipette for specific usage or workflow steps. The rings are made of polyacetal and can be marked with permanent ink or labeled.
