Service Kit Level 2 PIPETMAN G Single Channel, GILSON®

Ref.: GILSON.F1619702 | Categoría: Recambios y accesorios micropipetas

Descripción

The Service Kit Level 2 contains replacement components for PIPETMAN® G, PIPETMAN® Classic* and PIPETMAN® Neo P2 models. The tip ejector on these pipettes is fitted on the body of the pipette with a clip system.

Service Kit Level 2 includes:
- 1 push button
- 1 connecting nut
- 1 metal tip ejector
- 1 dual-position adapter for D10 and DL10 tips
- 1 plastic tip ejector
- 1 extension for plastic tip ejector

Each kit contains genuine Gilson spare parts that are guaranteed to deliver value and assure reliability and precision.
