

## Kits de filtración completos filtros Ø25mm / Ø47mm / Ø90mm, Rocker®

Ref.: ROCKER.167120 | Categoría: Rampas y kits de filtración

### Descripción

---

#### **VF5 | VF8 Ø25mm**

**Ideal para:**

- pequeños volúmenes de filtración al vacío para análisis biológico o análisis de contaminación de partículas

#### **VF6 | VF7 Ø47mm**

**Ideal para:**

- purificación de disolventes y filtración general de microbiología

#### **VF3 | VF16 Ø47mm / Ø90mm**

**Ideal para:**

- purificación de líquidos orgánicos como disolventes, fases móviles para HPLC, GC y AA.

## Especificaciones técnicas

Referencia		Producto	Env
00829 167200-05		Microanalysis set glass VF5, complete: glass funnel 15ml 25mm, glass support base, clamp, stopper and glass receiver flask 125ml	1
00829 167120-32		Microanalysis set glass VF5, filter holder: glass funnel 15ml, 25mm, glass support base, clamp and stopper	1
00829 167200-08		Microanalysis set glass with support screen VF8, complete: glass funnel 15ml 25mm, glass support base, stainless steel support screen with gasket, clamp, stopper and glass receiver flask 125ml	1
00829 167120-34		Microanalysis set glass with support screen VF8, filter holder: glass funnel 15ml 25mm, glass support base, stainless steel support screen with gasket, clamp and stopper	1
00829 167200-06		Glass filtration set VF6, complete: glass funnel 300ml 47mm, glass support base, clamp, stopper, glass suction flask 1000ml and fixing sucker	1
00829 167120-31		Glass filtration set VF6, filter holder: glass funnel 300ml 47mm, glass support base, clamp and stopper	1
00829 167200-07		Glass filtration set with support screen VF7, complete: glass funnel 300ml 47mm, glass support base, stainless steel support screen, clamp, stopper, glass suction flask 1000ml and fixing sucker	1
00829 167120-33		Glass filtration set with support screen VF7, filter holder: glass funnel 300ml 47mm, glass support base, stainless steel support screen, clamp and stopper	1
00829 167200-03		Glass filtration set VF3, complete: glass funnel 300ml, 47mm, glass suction cap with ST socket (support base), clamp, glass receiver flask 1000ml and fixing sucker	1
00829 167120-30		Glass filtration set VF3, filter holder: glass funnel 300ml 47mm, glass suction cap with ST socket (support base), clamp and stopper	1
